 t: 01562 700 404

From M5, Junction 4

Leave M5 at junction 4, heading towards Kidderminster on the A491. Continue on the A491 over one roundabout and along the bypass through two sets of lights. At the big island, turn left onto the A456 towards Kidderminster. Go straight on at the first set of traffic lights. At the next lights, take the left lane - signposted Worcester - A450 by the Shell petrol station. Take the second left - signposted Broome - onto Broome Lane (this is a small signpost; you'll know if you've missed the turn if you get to Hackmans Gate.) Ignoring the farm track, take the second turn on your right by the three way signpost, opposite Broome Farm. Take an immediate left into The Studio.

From M5, Junction 3

Leave M5 at junction 3 and head towards Kidderminster on the A491. Head straight on at the traffic lights and then straight over four roundabouts. You will travel down a long hill to another set of lights. Turn left immediately after these lights and before the car showroom. Continue down this road to the roundabout where you should turn right onto Broome Lane. Go past the 'Broome' sign and the duck sign! There is a left hand turn with a three way signpost opposite Broome Farm. Turn left into this road and The Studio is immediately on your left hand side.

From Stourbridge

Follow the A491 from Stourbridge until you reach the large set of traffic lights at Hagley (after you have passed the Foley Arms pub). Turn right at the traffic lights and turn left immediately after the lights (in front of the car showroom). Continue down this road to the roundabout where you should turn right onto Broome Lane. Go past the 'Broome' sign and the duck sign! There is a left hand turn with a three way signpost opposite Broome Farm. Turn left into this road and The Studio is immediately on your left hand side.
